Thanks for service

Eric and Marcia McKinney
Stillwater

— Without sounding like an advertisement, we wanted to extend our thanks to a local business in Stillwater. The exceptional level of knowledge, organization, kindness and impressive follow up is without a doubt the best we have ever seen! Good customer service is so rare nowadays that it is a welcome change to have it impressed upon you now and again. Fairway Mortgage and its employees are truly wonderful and they should be an example of how customers need to be treated. Thanks guys!
